Highlights

Colour-coded connectors
Colour-coded connections make it easy to install your cable into the correct inputs and outputs

Easy grip
This non-slip grip makes connecting your components easy and ergonomically comfortable.

Moulded plug
Moulded plugs ensure secure connections between components and offer extended durability.

Flexible PVC Jacket
Flexible PVC jacket provides protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Gold-plated connectors
Gold-plated connectors provide better conductivity by lowering contact resistance. They also prevent connector deterioration through oxidation.
